Council Corner

On August 6th the village council presented it's petition to the Monroe County Board of Commissioners to change the boundaries of the village to include certain parcels of land owned by Stoneco as part of the Village of Maybee. President Gaylor and Attorney Tom Ready spoke on behalf of the village and Attorney Tom Fahey spoke on behalf of the Township of Exeter. After both sides had presented their case the public was invited to give their opinions. More questions and discussion from the Board of Commissioners to the two sides and then a vote was taken. The final outcome was seven commissioners in favor of the petition and two against. From here it will go to Lansing for the new boundaries to be recorded.

Now that the vote is over, the only things that have changed is that the quarry is now governed by the Village of Maybee and the village will now derive extra income to maintain the village. The hours of operation, the hours of blasting, the noise, smell and dust will still be governed by the same rules. The quarry will still be located in Exeter Township and pay taxes to the township the same as the residents and businesses of Maybee do. We can only hope that the bitterness and un-truths that have been spread will now stop. We look forward to working with Stoneco the same way that so many other communities have been doing for years.

On August 14th the village council met and discussed the repairs that had to be made to the drain under Main Street at the railroad track. Also discussed was the repairs that will be done to Maybee-Scofield road in the next couple weeks. This will be a temporary fix to make the road more pleasant to drive until a complete rebuild and widening can take place. Parts of Raisin street are also going to be patched North of the Maybee Park. Curb repairs are also being looked at to have them repaired this year.

Many of us are sorry that the St. Paul's spaghetti dinner and the St. Joseph festival did not take place this year and can only hope that both will be back next year. We did have the Downtown Maybee Day Festival and Santa will be coming in December.
