## Council Corner

The council accepted the audit from Cooley, Heil, Wohlgamuth and Carlton at last night's meeting. The accounting firm was pleased by the Village's efforts to improve and maintain a sound internal accounting control system and by the efficiency of those people involved. Also passed was a plan to replace all of the lights at the number one baseball field which included the support of the Village, the Downtown Maybee Day Committee, The Maybee Recreation Dept., and the Stoneco Maybee Quarry. The new lights should be installed this Spring. Thank-you to Brad Rogers and Larry Gramlich for helping to take down the Christmas decorations.
