Council Corner

At the June council meeting the council was informed by Heather Oerther, representing the building owners of the building next door to the village hall, that Taz motorcycle has moved to a new location outside of Maybee and that renovations are being made to bring the historic building up to current codes and that new businesses will soon be moving in. One business will be commercial landscaping and the other will be a shrink wrapping business.

The re-paving of Maybee-Scofield Road is moving along and the engineering firm is waiting for the survey to be completed.

Also discussed was the new law regarding the "Freedom of Information Act" and the new requirements. After some discussion the new procedures and guidelines policy was adopted and will be put on the village website.

St. Paul Lutheran Church

The members of St. Paul Lutheran Church in Maybee, MI would like to welcome **YOU** to welcome Minister Gail Cebelak to our community. Our church is located at 7771 High Street, Maybee, MI.

Minister Gail has served our church for about a year as supply minister following the retirement of Pastor Lentner. We are delighted that she will now be with us on a contract basis as our LLM (licensed lay minister).

We will have a celebratory service on Sunday, July 12th at our regular 10:00 service. Following the service, a light luncheon will be served in the parish hall to which you are all invited to meet and greet Minister Gail.

Our church family feels extremely blessed to have been provided by God with Minister Gail to fill the needs of the congregation. We certainly feel that she is a good “fit.” Come and visit and share our joy!
