## Council Corner

The Maybee-Scofield road widening and re-construction is now complete. After a few delays and a couple revisions the project has been put to rest. The final items to be done are the painting and seeding. The council has also approved the installation of delineation markers along the bike path. This project was made possible by the joint efforts of the Village of Maybee, Cadillac Asphalt, Stoneco and the Mannik and Smith group. By working together the village was able to rebuild this mile of highway for the lowest possible cost. The village council will continue to make the roads in the village the best in Monroe County.

September 28, 2015 7:00 PM Maybee Branch Bookclub

Every Saturday Lego building, we'll supply the Legos

## Whats happening around Maybee

---

### Santa is coming to town

The tradition of the Village of Maybee continues with the arrival of Santa on the evening of December 8<sup>th</sup> at 7pm. He will start making the rounds of the village starting at 6pm and end up at the L. M. R. fire department at 7pm. The Floral City Harmonizers will be there leading the singing of Christmas Carols sponsored by J and K Mechanical. First Merit Bank will supply the cups, letters and helpers for the hot chocolate. The little Brown Jug will supply the hot chocolate and the Village of Maybee will supply the candy. Everyone is welcome to bring the cameras and take pictures of the kids on Santa's lap. Thank you to the firemen for supplying the big red motorized sleigh (fire truck) for Santa to ride on. Hope to see you there.
