December, 2015

Council Corner

The Village Council discussed all that happened in the year 2015 in the village. The main item was the reconstruction of Maybee Scofield Road from Raisin Street to Doty Road. This was a one mile stretch of road that was in need of major repair. It has now been completed with only a few markers and signs to be installed. No more dodging potholes. The second biggest item was the closing of the RR crossing at Main Street. It was closed for safety reasons as well as a cost factor. The State government was insisting that gates and lights would have to be installed and the village would have to pay for the upkeep. The third major project in 2015 was cleaning and repairs of the storm sewers on the West side of town.

The budgets for 2016 were also approved. They are the General fund, the Major Highway fund, the Local street fund and the sanitary sewer fund.

The village council also thanked Dan at D and D Small engines on Ostrander Rd. for donating a new back pack blower to the village to help maintain the park, the ball fields and the bike path. Dan is always there to help out when it comes to the kids in the Maybee area.

Monday, December 28, 2015 Make a craft with supplies provided

The beauty of a small town

If you have not had a chance to drive around the village you are missing some of the most beautiful Christmas decorations in Monroe. The downtown area, the local neighborhoods, the sub-divisions are all a glow with beautiful lights. Bringing back a tradition from years past, next year the village will have prizes for the top holiday decorations. People from outside the village will be brought in to select the winners. Maybee next year, all the houses and businesses in Maybee will be a glow with the Christmas spirit. From all of the Village officials,

MERRY CHRISTMAS AND HAPPY NEW YEAR

MAY EVERYONE HAVE A SAFE AND HAPPY HOLIDAY
