Council Corner

At the April council meeting the council passed a resolution to create a new ball field to replace the existing ball field #3. The #2 ball field will be down sized for special use. This project would not have been possible without the generous support of Stoneco. When they heard about the project they offered to cover the cost to completely fence in the new ball field and supply the materials needed to rebuild the field. The donation on their part will amount to over fifty thousand dollars. This is not the first time that Stoneco has *stepped up to the plate* to help the Maybee Recreation department. They supplied the man power and equipment to install all of the new lighting on ball field #1 two years ago. Baseball is alive and well in Maybee thanks to the continued support from Stoneco.

Downtown Maybee Day

Don't forget that Downtown Maybee Day is fast approaching and the committee could still use a few more volunteers. If you would like to help out contact Brad Rogers or Stephannie Suydam at First Merit Bank. Monies collected at this yearly event are used to support the Maybee Park.
