Bedford North scored two runs in the bottom of the sixth inning to nip Maybee 4-3 in the finals of the Monroe County Fair Baseball Tournament Saturday. It was the second straight championship for Bedford North under coach Nick Brillhart. Bedford North came into the final inning trailing 3-2. Singles by Dylan Anstine and Darren Cleavenger got the winning rally started. Niko Schmieder doubled in the tying run, then Maybee intentionally walked T.J. Destatte to load the bases. The winning run came home on a wild pitch. Cleavenger was originally called out at home, but the umpire changed his call when the ball trickled away from the Maybee pitcher who was covering the plate. Braden deGroff tripled and singled for the winners while Andrew Hollinger added a single and a double. Destatte also had two hits. Ashton Elmer led Maybee with two hits and an RBI. Matt Cousino had an RBI single, Ryan Sieler drove home a run with a sacrifice bunt and Sam Cousino collected a single, a walk and two runs. Maybee reached the finals with a 7-2 victory over Custer earlier in the day. Maybee pitchers Kellen Roberts, Owen Yount and Ryan Sieler were outstanding in limiting a good-hitting Custer team to just four hits. Sieler was particularly impressive, giving up no hits and no walks over two scoreless innings. Brent Spaulding went 2-for-3 with an RBI single and a double. Drew Huffman was 2-for-2 with a pair of run-producing singles. Cole McElvany added a double. Alec Albain went 2-for-3 with a double and Jacob Smith had an RBI single for Custer.
