February, 2016

Council Corner

At the February council meeting the budget for the LMR Fire Department was approved. This year 18% of the budget will be the responsibility of the village. Also discussed was the need for a back-up generator for the pumping station of the sanitary sewer system. In the past the Monroe County Drain Commission would have to bring in a portable unit due to power outages. This has become too costly to continue.

Another item approved was the extension of the sanitary and storm sewer lines at the North end of Raisin Street. This will accommodate any new construction that will be taking place.

The council also passed a resolution to commit a portion of the general fund account for the updating and maintaining of the village infrastructure.

Fri: 9:00 am-5:00 pm Sat: 9:00 am-2:00 pm

THURSDAYS

10:00 AM Sense Stations--Maybee Branch Library

For special events go to the Maybee Library website.

Downtown Maybee Day

The big event is only 90 days away and the committee could still use a few more volunteers. So far it looks like it is going to be another successful event. If you would like to be part of the committee contact Brad Rogers at 734-206-2066 Brad has taken over as chairman of the event and has come up with some new ideas to make the event even bigger and better than before. This is the one day of the year when the village stands out as a great community to live in. this years event will take place on May 21st.

PLAY BALL

It will soon be baseball season so think Spring. Sign up will be at the L.M.R. Fire department on Baldwin Road. Date and times will be announced soon. Registration forms will be available at the bank, gas station or Dairy Mart. The recreation committee is also looking for a few more volunteers to help with the program.
