Council Corner

At the May council meeting the council heard from residents who were concerned about the noise and safety of off road motorcycles and four wheeled vehicles that were traveling through the village streets with no concern for the safety of themselves or others. Increased presence of the Monroe County Sheriff dept will be brought in to try and resolve the problem. In recent years we have lost three young people in the village and do not want to add to the toll.

Work on the new Stoneco Ball Field is progressing at a rapid pace thanks to Bob VanAuker and Nick Archer. They are always looking for a few more volunteers to finish the project. When completed, Maybee will have two first class ball fields for baseball games.

Elections are coming up and the office of President and three council seats will be on the ballot. If you are interested in serving, contact Theresa Gross for more information. Council members are required to attend one meeting a month on the second Wednesday of the month at 7:30 in the evening.
