Council Corner

At the village council meeting the new clerk, Julie Hartford, was sworn in and a tribute was paid to Theresa Gross for her ten years of service to the village. Ed Manuszak, the new superintendent of the Dundee school system was present and introduced himself to everyone. The dates and hours for the council and planning commission meetings were approved for the year and will be posted on line. Also confirmed were the members of the standing committees for the village. The rest of the meeting was devoted to the normal operation items that make the village run the way it should.

Think Spring!!

The Maybee Day Committee is thinking spring as they held their first organizational meeting January 11th. Maybee Day 2017 will be held on Saturday, May 20th from 9am – 5pm. As always, the committee welcomes new ideas, suggestions and especially new members. Being a part of the Maybee Day Committee is an easy and fun way to give back to your community with very little time commitment. If you are interested in helping out in any way, please contact Stephannie Suydam at First Merit Bank 734-587-7725 or Brad Rogers at 734-708-1199.

Maybee Village Lighting Contest

A correction regarding the winners of the lighting contest posted in last months Voice of Maybee. Harold Heisler on Center Street was the winner and not Harold Helzer on Short Street.

Changes in the village

By the end of the month some of the older buildings will look a lot newer. First Merit Bank will under go a complete change inside and out as it becomes Huntington Bank. The whole inside will be new and a lot more open with a lot of new inovations. On the outside it will look a lot greener. Next door the Maybee branch library will be modernized with a new more open counter and work space for the staff. We think that you will feel a lot more welcome when you walk through the doors. The Little Brown Jug has a new look on the East side of the building but only because of a little run-in with a car. It's good to see the local businesses working to make the Village of Maybee a great place to live. Other businesses are welcome to do the same. "Maybee the Best Little Town in Michigan"
