## Council Corner

At the village council meeting plans were ok'ed to clear out the brush and replace the fencing along the North and South side of the park. A lot of the fencing will be the fence that was removed when the old ballfields were replaced with new fencing paid for by Stoneco. Also being looked at is a traffic monitoring device to help slow down the traffic through the village. The heavy winds destroyed one of the dugouts at the park so the village will file an insurance claim to have it replaced.

**Watch for the Grand Opening** A new Cafe will soon be opening up in the village. Charlene's Curbside Cafe' will specialize in breakfast and lunch. The hours will be from 6:00 am till 2 pm Tuesday through Sunday. There will be daily specials and it will be eat in, carry-out or even delivery. Most of the food served will be supplied by local farmers. More information and copies of the menu will be on the village website when they become available.

## The quiet giant has passed away.

**Long time resident and Maybee advocate Harold Helzer passed away in his home on March 5<sup>th</sup>. Harold was 96 years young if you ever met him. Harold served in the Navy during World War II on an aircraft carrier in the Pacific. He was the Treasurer of the Maybee Public School board, and the Assessor for the Village of Maybee at one time. For years we tried to have him as the Grand Marshall in the Maybee Day Parade but he always wanted someone else to have the honor. We will all miss him. In lieu of flowers the family suggested donations to St. Paul Lutheran Church where Harold was a very active member. The address is box 86, Maybee Mi. 48159**
