## **Council Corner**

\*\*\*\*\*  
The village council voted to acquire a lot on Raisin Street across from the baseball park to expand the needed parking for ballfield. Both ballfields are being used from Spring till Fall with tournaments and league play and parking has always been the major problem. Painting had to be stopped on the Old Village Hall but will be completed in the Spring when the weather warms up again. Work on the new building is progressing at a steady pace.

## **Special Thanks**

**Abagayl Verman and Gayl Verman for painting the kids rides at the park.**

The Parks and Recreation committee is still looking for a lot of new help with next seasons baseball program. After more than ten years, Kathy Coleman is retiring. If you would like more details on the position contact Clerk Julie Hartford at the village office between 8am and noon at 734-587-2900. We will also need someone to run the concession stand. These are great jobs for someone who wants extra money from a part-time job or even someone who is retired and looking to make extra money. Maybee is known for having one of the best baseball programs in Monroe County so give it some thought and then give us a call.
