Council Corner

Things in the village are moving at a rapid pace trying to beat the arrival of Winter. A fresh coat of paint is being put on the old town hall and some minor repairs also. The new building is moving at a steady pace with hopes of getting some heat in the building in the next two weeks. The outside of the building is partially painted and with any luck should be finished before it gets too cold. Projects at the park are being wrapped up for the year. A lot has changed in the village during the past year.

Next month the Christmas decorations will be going up and again this year the village will be sponsoring a Christmas decoration contest. All of the details will be in the next issue of the village paper. All of the new village decorations that were bought last year will be going up also.

We are still looking for a new editor for the village paper. If you always wanted to try your hand at writing, now is the time to try. You take care of the content and articles and we will take care of the delivery.

Halloween night

The village council has set trick or treating night for
October 31 from 6pm till 8pm
Make sure that the costumes stand out in the dark

The Parks and Recreation committee is looking for a lot of new help with next seasons baseball program. After more than ten years, Kathy Coleman is retiring. If you would like more details on the position contact Clerk Julie Hartford at the village office between 8am and noon at 734-587-2900. We will also need someone to run the concession stand. These are great jobs for someone who wants extra money from a part-time job or even someone who is retired and looking to make extra money. Maybee is known for having one of the best baseball programs in Monroe County so give it some thought and then give us a call.
