The Voice of Maybee

==

Council Corner

The council discussed the results of the road closing at the RR tracks and the appearance of the restoration. The next major project will be the rebuilding and widening of Maybee-Scofield Road from Raisin Street to Zink Road. This will include two foot paved shoulders where possible.

The council also passed a resolution on the storage of village documents and how they must be maintained. Also approved were budget amendments that were needed to cover the road paving project that is scheduled.
