## Council Corner

At the February council meeting the budget for the LMR Fire Department was approved. This year 16% of the budget will be the responsibility of the village. Also approved was the purchase of a new Rescue Truck. The old unit will be sold and the proceeds applied to the cost of the new unit. All of the council members will be attending a gas pipeline safety meeting next week to receive information on what can happen in an emergency. Air conditioning will also be installed upstairs at the village hall.

## Downtown Maybee Day

The big event is only 90 days away and the committee could still use a few more volunteers. So far it looks like it is going to be another successful event. If you would like to be part of the committee contact Brad Rogers at 734-206-2066 Brad has taken over as chairman of the event and has come up with some new ideas to make the event even bigger and better than before. This is the one day of the year when the village stands out as a great community to live in. this years event will take place on May 20<sup>th</sup>.

---

## PLAY BALL

It will soon be baseball season so think Spring. Sign up will be at the L.M.R. Fire department on Baldwin Road. Date and times will be announced soon. Registration forms will be available at the bank, gas station or Dairy Mart. The recreation committee is also looking for a few more volunteers to help with the program.

---

If you haven't been to the Library or the Bank lately, you should stop by and take a look. The new renovations to both places are really a plus for the little town of Maybee. We hope that this will inspire a couple of the other businesses in town to climb on the band wagon and do the same. Maybee is a village that residents like to be proud of and have been for one hundred and forty-four years.
